Every year, Aid to the Church in Need (ACN) hosts a Week of Witness, a week of support for persecuted Christians around the world. This year's Week of Witness begins on 15th November and runs to 22nd November. On Red Wednesday 18th November, wear something red - a tie, scarf or jumper - to show solidarity with the suffering Church. The Cathedral will be lit up in red for the week. ACN every year supports an average of 6,000 projects in 150 countries with prayer and financial help. Projects big and small include the construction and repair of churches and parish buildings; the formation of priests, religious and lay missionaries; providing cars, motorcycles and other means of transportation.
